FOR IMMEDIATE RELEASE

Consumer Group Services (CGS) and NFI Solutions Join Forces to Provide Annuities and Life Insurance for Enhanced Financial Security

CGS is pleased to announce a strategic partnership with NFI Solutions, a leading insurance and financial services provider. This collaboration aims to offer your clients' comprehensive annuity and life insurance options, strengthening their financial security and peace of mind.

As a trusted health agency committed to improving the well-being of consumers, CGS Consumer Group Services recognizes the vital role of financial stability in achieving overall health and happiness. By partnering with NFI Solutions, a distinguished organization with extensive expertise in insurance and financial planning, CGS Consumer Group Services aims to empower you as an agent with the tools you need to protect your client's financial interests and plan for their secure future.

This partnership will provide a diverse range of annuity and life insurance products tailored to the specific needs and preferences of individuals. By combining the strengths and expertise of both organizations, this collaboration ensures a seamless and comprehensive approach to financial security.

Key benefits of this partnership include:

- **Personalized Solutions:** CGS Consumer Group Services and NFI Solutions will work collaboratively to develop customized annuity and life insurance options that meet the unique requirements and circumstances of your clients. These tailored solutions will consider factors such as age, health status, financial goals, and risk tolerance to provide optimal coverage and financial protection.
- **Expert Guidance:** The partnership will leverage the expertise of professionals from both organizations to provide personalized advice and guidance for your clients who are seeking annuity and life insurance coverage. Through their combined knowledge and resources, you will receive comprehensive support in making informed decisions about your client's financial well-being.
- **Education and Awareness:** CGS Consumer Group Services and NFI Solutions will jointly develop educational resources and materials to enhance financial literacy and awareness among consumers through seminars, workshops, and online resources. You as an agent will gain a better understanding of annuities, life insurance, and their crucial role in securing your clients' financial stability.

- **Streamlined Processes:** The partnership aims to create a seamless and efficient experience for agents by integrating the processes of health services and insurance offerings. This integration will simplify administrative procedures and ensure a holistic approach to managing both health and financial concerns.

By collaborating with NFI Solutions, CGS Consumer Group Services expands its range of offerings to provide comprehensive solutions that address the diverse needs of agents and their clients. This partnership demonstrates a shared commitment to empowering agents with the tools and resources necessary to protect their clients' health and secure their financial futures.
