PRODUCT TRAINING ACCESS AND SUPPORT

American National

Please be advised that American National requires product training PRIOR TO SOLICITNG BUSINESS. As of 03/19/2025 separate product training courses will be available via RegEd or My Learning Plan through the American National website.

Those who have already completed the old "All Encompassing" course will not need to take the stand-alone courses unless/until a new product is created. The Rate Certainty Annuity (aka "RCA") product was the first product on this new training platform
