

PRODUCT TRAINING ACCESS AND SUPPORT

Pacific Life

This guide provides the steps required to complete the Pacific Life Product Training on the RegEd website.

1. Complete the Pacific Life Product Training by clicking the link below to get to the RegEd website: <https://www.reged.com/annuities-training-platform/>
2. Once you are at the site, log in from the box in the center of the website page under Annuities Training Platform. If you haven't registered at the site before, click the Register Online button on the right-hand side and complete the required form.
3. On the main Producer Status page, any outstanding state insurance requirements will appear.
4. On the left-hand side, click the Enter Product Code button and enter pacificlife in the product code field (this is not case sensitive). Then click "Submit."
5. Under Carrier-Specific Product Training, click the "Go To Requirement" buttons for one of the three modules. The three modules we offer are fixed annuities, fixed indexed annuities, and variable annuities.
6. Click the "Annuities Product Training" button to view the Pacific Life Product Training module.

- 7.** The Product Training module is in a PDF file. Please review all pages of the training module. After you have reviewed the entire module, close the PDF file.
- 8.** Click “Attest” to receive credit for completing the course.
- 9.** Read the disclosure, and then click “Certify.”
- 10.** When the Certify button turns green, click “Continue” to receive your certificate of completion.
- 11.** You can print or save your certificate. Please keep a copy for your records. After you are finished, click “Close Window.”

Additional product training may be required with future product launches.

For more information, call Internal Wholesaling at (800) 722-2333.
