

PRODUCT TRAINING ACCESS AND SUPPORT

SILAC

Instructions for SILAC product-specific training may be found here:

<https://www.silacins.com/agent/training.html>

- **Note:** If you have completed all the above product specific trainings prior to May 30, 2025, you only need to complete Product Summary2025 Product Specific Training to be eligible to sell Evolve.

- **Evolve2025 Training Requirement:**

If you have not completed all the above product specific trainings prior to May 30, 2025, you will be required to complete the Evolve2025 Product Specific Training to be eligible to sell Evolve.

- **Denali2025 Training Requirement for New Agents:**

Newly contracted agents, or those who have not completed the original Denali training, are required to complete Denali2025 prior to soliciting Denali products.

- **Teton2025 Training Requirement for New Agents:**

Newly contracted agents, or those who have not completed the original Teton training, are required to complete Teton2025 prior to soliciting Teton products.

- Once all training is completed, please return to the SILAC Producer Express Onboarding Page to complete the contracting process.

1. Please go to the below site to complete the product training:
